

Mastery Modules

Module 01: Radiate Presence

Show up with clarity, confidence, and composure to connect with others.

Module 02: Strengthen Resilience

Bounce back from challenges to lead change successfully.

Module 03: Foster Collaboration

Connect people and ideas while effectively navigating conflict.

Module 04: Use Empowerment

Confidently and purposely give others power.

Module 05: Leverage Strengths

Know and apply strengths to enhance focus and reduce stress.

Module 06: Create Accountability

Model accountability and build a culture that demands it.

Module 07: Apply Emotional Intelligence

Discover why people with high EQ are more successful (& make more \$!).

Module 08: Use Your Influence

Understand your power to ignite others towards your vision, dreams and goals.

Module 09: Management Foundations

Learn four key fundamentals of managing a team. We'll focus on progress over perfection.

Module 10: Strengthen Problem Solving

Explore the world of problem solving, decision making and the quality of thinking that contributes to both.

Upcoming Module:

Module 11: Explore Political Savvy

Relate to others with professional diplomacy using heightened social awareness.

Leadership has its challenges. Learning to lead shouldn't be one of them.
